Service Information Sheet

Worksite Safety – Execution Tasks (WS-E)

Objective

Providing support for and advising the H&S Coordinator – Implementation Phase on environmental health and safety aspects.

Description

The Worksite Safety – Execution Tasks is responsible for checking the administrative regulations and organizing the safety organization specific to electrocution and collision hazards. He can also be supported by a Worksite Safety for Execution Tasks and/or Work Representative.

Below are some of the services provided:

- Evaluating information concerning the parties involved, activities, work sites, work methods, schedule, communication plans, third parties, relevant drawings, and documents.
- Evaluating the administrative regulations based on completeness and viability.
- Setting up the safety organization.
- Giving the safety training to the safety officers.
- Ensuring compliance with the administrative regulations.
- Evaluating the administrative regulations.

If desired, the set of services can be customized after consultation with the client.

Approach

If you would like to engage our services, we will select an appropriate staff member for you. We do this based on information you provide, such as specific experience, location, and scheduling information, etc.

Following a pre-selection, you will receive resumes from us and an open-ended offer. If desired, it is possible to arrange an interview with our workers. Upon receipt of written confirmation of the job, we will coach our workers based on your expectations, and the work in collaboration with you will commence.

Price Indication

We hire out our employees to your organization based on hourly rates. For this service, these rates range anywhere between €75,- and €85,- per hour, during normal business hours.

This rate, however, does not include:

- VAT.
- Travel and lodging costs.
- Equipment costs.

For each request, a formal quote will be provided.
